

## RESULTS

1986

For 1985-86 there were approximately 3,000 full and associate members from 46 states for Divisions A, B, and C. The secondary membership doubled from 1984-85.

Twenty-eight (28) states had state tournaments and there were over 30 regional tournaments. Thirty-five (35) to forty (40) states are expected to have state tournaments next year with about 5,000 members. Thirty-five (35) schools from 24 states for Division C and 26 schools from 18 states for Division B were present at the National Tournament.
