Merrimack, NH 03054

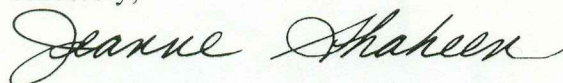

Dear Students,

I am pleased to join your family and friends in congratulating you for your achievements at the 28th Annual Science Olympiad National Tournament at the University of Central Florida. It is truly an amazing accomplishment and I join the Science Olympiad Organization in recognizing you as some of the top minds in New Hampshire.

You should all be proud of your performances and it was great to see the team make an improvement from last year in almost every scoring category. I also wish to extend my thanks to your family and teachers whose support and understanding are critical to your success.

Congratulations and best wishes as you continue your good work. I look forward to hearing about all of your future accomplishments.

Sincerely,

Jeanne Shaheen
United States Senator
