Dear Science Olympiad State Champions:

Congratulations! Because of your team's outstanding performance at your State Science Olympiad Tournament, you are invited to represent your state at the Science Olympiad National Tournament at Wichita State University in Wichita, Kansas, on May 19-20, 2023.

You and your team are to be commended for your outstanding achievement and your commitment to excellence in science, technology, engineering, and mathematics education.

- To accept this invitation, please complete the 2023 Invitation Acceptance Form that will be emailed to the Head Coach upon your State Director submitting final tournament results to the Science Olympiad National Office.
- You are asked to accept this invitation no later than 5 days after receipt of the electronic copy of this letter or by May 5, 2023, whichever is earlier. If you are unable to or do not accept this invitation within that timeframe, your invitation will be extended to the next place team.
- Upon acceptance of this invitation, you will receive additional instructions, including details about Team Numbers, via email on how to complete your team's registration.
- You can find a listing of the events, their planned formats, and a competition schedule posted on the Science Olympiad National Tournament webpage found [here](#).
- Please bookmark the [Science Olympiad 2023 national web page](#) as well as the local 2023 National Tournament website above, as both will be updated with tournament details such as schedules, STEM Expo activities, Opening and Closing Ceremonies.

On behalf of the Science Olympiad Executive Board, Advisory Committee, volunteers and staff, we wish you the best of luck at the Science Olympiad National Tournament. Congratulations again. Next stop: Wichita State University!

Regards,

Jennifer Kopach
