Stevenson High School student & member of the 2023 National Champion Division C team Angela Guo was featured on Dr. Sanjay Gupta's Podcast!

The 40th Annual National Tournament hosted by Michigan State University will showcase 2,000 students representing 120 teams from all 50 states and a Global Ambassador Team from Japan on May 24-25, 2024 in East Lansing, Michigan.

Professional Development

Plans are underway for the Summer Build Clinic in Naperville IL and the Virtual Event Bootcamp, both happening in July 2024!

Supporting Future STEM Leaders

In 2023, the Science Olympiad USA Foundation awarded $50,000 in Founders' Scholarships for high-achieving seniors and $50,000 in Science Olympiad Alumni Research (SOAR) Grants for breakthrough medical and energy research. More funding will be awarded in 2024!
