## Testimonials

### The best part was...

*“Meeting new people and learning new things. I’VE LOVED IT!”*

*“Interacting with different people” “being active”*

*“being able to learn and grow with my friends”*

*“working as a team” “learning more”*

### I would tell my friends...

*“I had fun while also learning”*

*“It was cool” “That it was so fun”*

*“It was a really awesome experience.”*

*“It was so fun; there was so much to do”*

*“You get to build stuff and win awards!”*

*“They should join to get more experience in science and math.”*
