Donna Krueger
Albuquerque Area Home Schoolers
9900 Golden Rod Circle SE
Albuquerque, NM 87116

Dear Ms. Krueger:

I am pleased to congratulate the Albuquerque Area Home Schoolers high school team on participating in this year's Science Olympiad competition, and for winning two second-place medals. This is a remarkable achievement for you and the students, and I applaud all of your hard work.

I am committed to expanding science education in our schools and encouraging more students to pursue this field. Your role as a coach for this team is critical to these efforts, and the students' participation in this program has set an extraordinary example for their peers.

Sincerely,

MARTIN HEINRICH
United States Senator
