

Flight Notes

Use with Flight Part 1 - History of Flight Powerpoint

Name _____ **Period** _____

Write down the important things that happened on the dates listed:

1505- 1506

1783

1809-1810

1852

1876

1903

1907

1911-1912

1914

1919

Flight Notes

Use with Flight Part 1 - History of Flight Powerpoint

1921

1927

1932

1937

1947

1949

1977

1986

Flight Notes

Use with Flight Part 2 - Principles of Flight Powerpoint

Name _____ Period _____

Define the following terms and how they deal with flight

Air Pressure:

Force:

Thrust:

Drag:

Lift:

Weight:

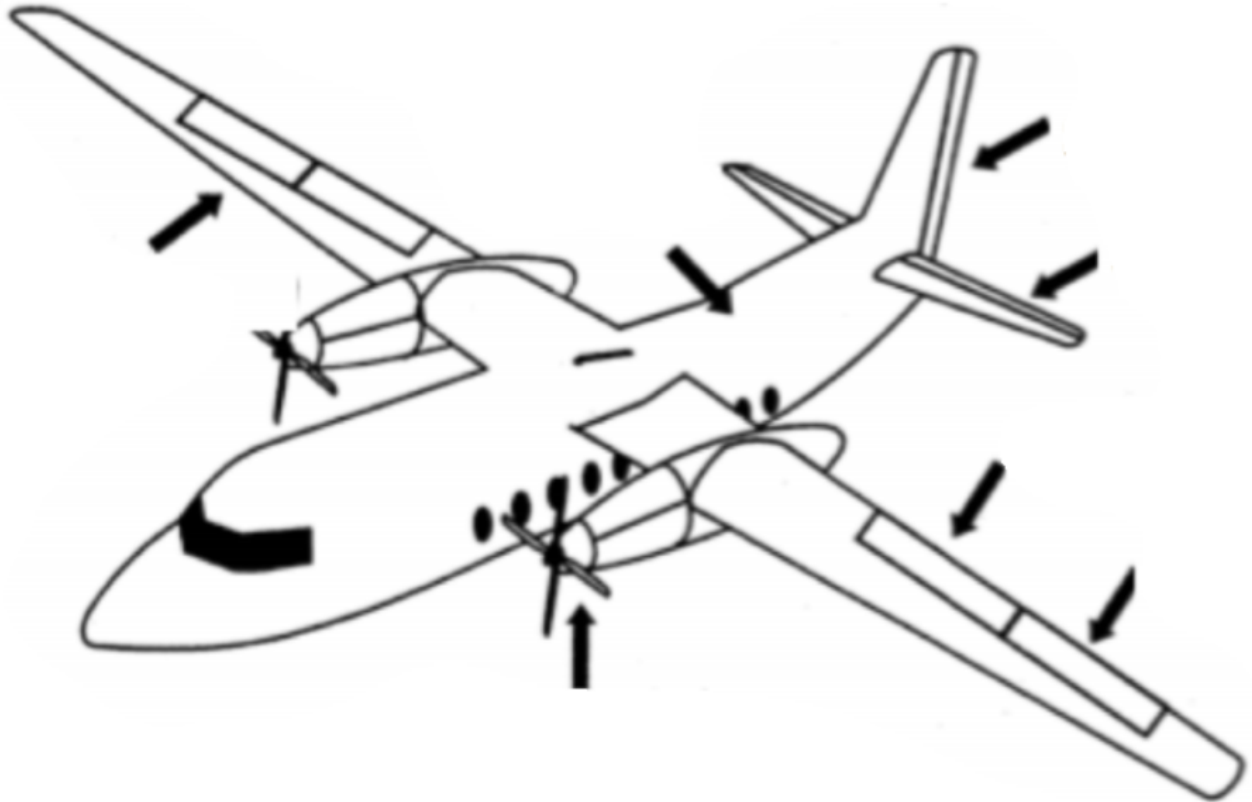

Bernoulli's Principle:

Flight Notes

Use with *Flight Part 3 - Parts of a Plane Powerpoint*

Name _____ Period _____

Identify each part of the plane and its purpose

Flight Notes

Use with Flight Part 4 - Describing Motion - Newton's Laws Powerpoint

Name _____ Period _____

Define and Give an example of each of Newton's 3 laws of motion

Newton's 1st Law:

Newton's 2nd Law:

Newton's 3rd Law:
