

Audition Competition

Exploring the World of Science

Are you a talented science communicator?

We are looking for a talented young scientist to be on-air host of ACE Hardware's **Hardware Science** show. We're here to see if such person can be found at the Science Olympiad event

Today's top 5 competitors will be awarded **\$250** for their SO team, plus a **Bose iPhone speaker system**. The top scoring of those five finalists will receive the prizes plus a **\$2,000.00 cash scholarship !!**

If you are a varsity member of a competing SO team, sign up below, and present to camera one **quick** science demonstration from those we have provided. Judging categories are listed below.

Name _____ Age _____
