Pioneer High School  
Attn: Ms. Jenni Wilkening  
601 W. Stadium Boulevard  
Ann Arbor, MI 48103

Dear Friends,

I appreciate the opportunity to congratulate the students of Pioneer High School on representing the State of Michigan at the 35<sup>th</sup> Annual Science Olympiad National Tournament this past weekend.

Established in 1984, Science Olympiad offers competitive tournaments and professional development workshops to students across the United States, grades K-12, with the mission of increasing interest in the Science, Technology, Engineering, and Math (STEM) disciplines. Pioneer High School's team represented our state well placing 5<sup>th</sup> nationally within their division. I commend the hard work and dedication that is surely behind this accomplishment, and I am certain that the students and their families and friends – and the entire Ann Arbor community – shared in the excitement of representing the State of Michigan at this prestigious national tournament.

Once again, I am pleased to congratulate Pioneer High School on their achievements at the 35<sup>th</sup> Annual Science Olympiad National Tournament. I wish you all the best in your future endeavors.

Sincerely,

A handwritten signature in black ink that reads "Gary C. Peters". The signature is fluid and cursive, with the first letters of each name being capitalized and prominent.
