

The logo features a red globe with a grid of latitude and longitude lines. A red banner with a white border curves across the bottom of the globe. In the center of the banner is a red circle containing the number '35' in white, with 'YEARS' written below it. The words 'Since' and '1984' are written in white on the left and right sides of the banner, respectively. The text 'SCIENCE OLYMPIAD' is written in a large, black, serif font across the middle of the globe. A small 'TM' trademark symbol is located to the right of the banner.
