

2021 Science Olympiad National Tournament Team Numbers

State Chapters had flexibility in how they qualified teams for the 2021 National Tournament to account for the changing conditions created by the COVID-19 pandemic, with all participating states qualifying teams in Division C, and just a few states passing up a bid for Division B. Team bids up to the 60-spot maximum were filled based on states with the highest reported membership.

Division B		Division C	
Team Number	State/Team	Team Number	State
B1	CA - SoCal Team #1	C1	CA - SoCal Team #1
