Science Olympiad events touch every letter in STEM and align with Next Generation Science Standards, allowing teachers to extend their science curriculum with engaged learners in an after-school setting.

“I have been in public health for more than 40 years. Being involved with the Science Olympiad Disease Detectives event since its beginning is one of the high points of my career as I knew it would make a difference in lives.”

Dr. Ralph Cordell
Epidemiologist, Centers for Disease Control

“Protein Modeling made me fall in love with the structure-function relationship of proteins. I now study biochemistry because of this.”

Maiya Yu
University of Michigan Student
