North Bethesda students win national recognition for teamwork

North Bethesda Middle School students have claimed a Spirit Award in the 2017 Science Olympiad National Tournament.

The recognition honors teams that have “a positive attitude, exemplify teamwork, have respect for the rules and exhibit sportsmanlike conduct,” according to the tournament’s results page. The tournament brought 120 teams from around the nation to Ohio on May 19 and 20. North Bethesda will get a \$2,000 prize for capturing the award, which was sponsored by Lockheed Martin.
